# ABOUT US

**Masco Alloys** is a trusted name in the metals and alloys industry, committed to delivering excellence with years of expertise and innovation. We specialize in the production and supply of Pipes, Tubes, Sheets, Plates, and Coils in a wide range of materials such as Stainless Steel, Duplex Steel, Carbon Steel, and other Ferrous & Non-Ferrous Metals.

We provide high-quality solutions to our clients and purchaser all over the world in order to achieve larger and sustained growth. Our products are well-known for their dependability, safety, and performance. The products we offer are manufactured under the strict supervision of professionals using high-quality raw materials to ensure that our customers receive the best quality products for their applications.

Our meticulously crafted alloys combine timeless elegance with robust durability. Our prime materials embody sophistication and reliability, ensuring exceptional performance for your business needs.

## SHEETS, PLATES & COILS

- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Surface:** 2B, 2D, BA, HI, No. 4
- **Thickness:** 0.5mm to 50mm
- **Width:** 1250mm to 2000mm

Unlock limitless possibilities with our customization services in the Size, Length & Width.

## RODS, WIRES & COILS

- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Round Bars:** 01MM TO 150MM DIAMETER
- **Square Bars:** 03MM TO 90MM DIAMETER
- **Hexagonal Bars:** 03MM TO 90MM DIAMETER

Unlock limitless possibilities with our customization services in the Size & Length.

Our meticulously crafted alloys combine timeless elegance with robust durability. Our prime materials embody sophistication and reliability, ensuring exceptional performance for your business needs.

## PIPES & TUBES

- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Type:** Round, Square & Rectangular.
- **Size:** 1/2"NB TO 30"NB
- **Thickness:** SCH5 TO SCH XXS
- **Width:** 1250mm to 2000mm
- **MOM:** Seamless & Welded

Unlock limitless possibilities with our customization services in the Size & Length.

## FLANGES

- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Size:** 1/2"NB to 48"NB
- **Class:** 150#, 300#, 400#, 600#, 900#, 1500# & 2500#.
- **Type:** SORF, WNRF, BLRF, SOCKETWELD, LAPJOINT, SPECTACLES, ORIFICE, RING JOINT

Unlock limitless possibilities with our customization services as per your requirement.

Our meticulously crafted alloys combine timeless elegance with robust durability. Our prime materials embody sophistication and reliability, ensuring exceptional performance for your business needs.

## FORGED FITTINGS

- **Item:** Elbow, Tee, Union, Cross, Plug, Swage Nipple etc.
- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Size:** 1/4"NB to 4"NB (Socketweld & Threaded)
- **Class:** 3000#, 6000# & 9000# (Available with NACE MR 01-75)

Unlock limitless possibilities with our customization services as per your requirement.

## Buttweld Fittings

- **Item:** Elbow, Tee, Reducer, Return Bends, Stub-Bends, CAP, Collar, Cross, Nipple, Insert etc.
- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Size:** 1/2"NB to 36"NB (Seamless & Welded)

Unlock limitless possibilities with our customization services as per your requirement.

Our meticulously crafted alloys combine timeless elegance with robust durability. Our prime materials embody sophistication and reliability, ensuring exceptional performance for your business needs.

## FASTENERS

- **Material Grade:** Stainless Steel, Nickel, Monel, Inconel, Hastelloy, Titanium, CuproNickel, Alloy 20, Incoloy, Duplex, Titanium, etc.
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Size:** M3 to M56
- **Length:** 3MM to 200MM.
- **Type:** Nuts, Bolts, Screws, Nails, Washers, Anchors, Rivets, Eye Bolts, Studs, Fasteners & Spares, Cotter Pin, Socket Screws, Foundation Fasteners Etc.

Unlock limitless possibilities with our customization services as per your requirement.

## COPPER, BRASS, & ALUMINIUM

- **Material:** Sheets & plates, Bars & Wires and Pipe & Tubes
- **Quality:** Prime
- **Grade:** Austenitic, Duplex, Martensitic, Ferritic
- **Sizes:** As per requirements
- **Length:** As per requirements
- **Finish:** As per requirements

Unlock limitless possibilities with our customization services in the Size, Length & Width.

# VALUES

## Integrity

The steadfast commitment to moral and ethical principles, consistently acting with honesty, fairness, and sincerity. It's the foundation of trust, reflecting reliability and uprightness in all endeavors

## Excellence

Striving for the highest standards of quality and performance in every aspect of our work. It's the relentless pursuit of improvement, innovation, and precision, ensuring unparalleled satisfaction and distinction in all endeavors

## Collaboration

Harnessing the power of teamwork and synergy to achieve shared goals and foster mutual success. It's the art of communication, cooperation, and collective effort, where diverse perspectives unite to generate innovative solutions and drive impactful outcomes.

## Innovation

Embracing creativity and forward-thinking to push the boundaries of possibility and redefine standards. It's the catalyst for progress, sparking fresh ideas, and transformative solutions that inspire change and shape the future landscape of possibility.

# GOALS AND OBJECTIVES

01

The guiding beacons that steer our actions and aspirations towards meaningful achievements. They provide clarity, focus, and direction, igniting motivation and fueling determination on the path to success. By setting clear and achievable goals, we empower ourselves to reach new heights and realize our full potential.

02

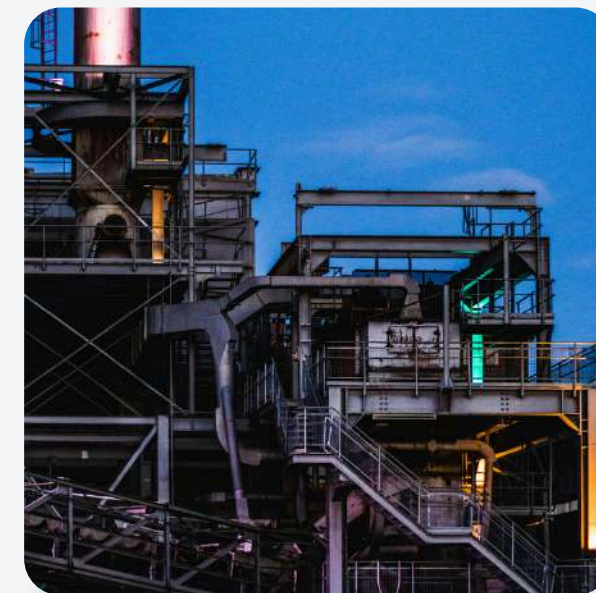

The milestones that mark our journey and measure our progress. They serve as reminders of our purpose, driving us forward with purpose and determination. With each goal achieved, we grow stronger, more resilient, and closer to the fulfillment of our dreams.

03

The strategic targets that guide our actions and decisions, aligning efforts with broader aspirations. They provide a roadmap for success, outlining specific aims and milestones to be attained. By setting clear objectives, we enhance focus, accountability, and efficiency, propelling us closer to our ultimate goals.
